SAWMILL WILL SOON BE LOCATED HERE

LOCAL TIMBER WILL BE PROCESSED AT PLANT

H. A. Fonville, business manager of the F. & B. Manufacturing Company of Wichita Falls is in Cameron making arrangements to move a modern sawmill and box factory here.

The sawmill will have a capacity of about 25,000 board feet of lumber per 8-hour day. The box factory will use all cottonwood, willow, box elder and other soft woods in the manufacture of egg cases, poultry coops, sodawater boxes, beer boxes, and fruit and vegetable boxes for the Rio Grande Valley trade.

Mr. Fonville states that ultimately he plans to manufacture shock (small boards) for fruit and vegetable shipping crates, as well as ash sucker rods for windmills and hardwood flooring from the oak and other hardwoods that will be sawed.

Timber from the nearby bottoms of Little River, San Gabriel River, Brushy Creek and Elm Creek will supply the sawmill and box factory. Any timber within a 30-mile radius of Cameron can be economically cut and transported to the sawmill which will be located in Cameron.

An initial crew of about 10 men is contemplated and this number should grow to about 25 within 6 months and to possible 50 within a year.

The project is being sponsored by the Cameron Chamber of Commerce where Mr. Fonville has a desk, and where he interviews landowners to obtain timber leases on their lands. Several thousand acres of timber leases have already been taken, but Mr. Fonville says that less than 10 per cent of the necessary total of timber acreage has been signed up. A sufficient back log of acreage must be obtained in order to warrant the location of so large a plant here. Therefore, all owners of standing

Drum Major

BOBBY JACKSON

The tall distinguished youth you see leading the Yoe High School band these days is Bobby Jackson, son of Mr. and Mrs. Bartow Jackson. He is the Drum Major, and one of the very best in the long history of this famous high school band.

Here Bobby is shown in a special pose for a photo for the Herald. In addition to his duties as band leader now he has served well as a musician in the band. He first began his study of band music in 1942 when he was in the 7th grade.

Bobby graduted from Ada Henderson Grammar school as second ranking student and also won the American Legion Award that year. He played Clarinet through his Sophomore year in high school then changed to Alto Saxaphone. He played Bass Drum through the football season of 1945 and 1946.

Bobby became drum major at the beginning of the 1946 and 1947 school year, his Junior year. He succeeded Bennie Bailey as Drum Major. He is 17 years old.

Promoted

PHILLIP REID

DALLAS, October 17—Phillip Reid a native of Cameron, has been named a vice president and member of the board of directors of the National City Bank in Dallas.

Reid, who entered the banking field in 1924 in Cameron, had also attended public school there. He later attended the Texas Military Institute of Terrell, of which he is a graduate.

After 13 years with the Cameron bank, he became an assistant national bank examiner, with headquarters at Wichita Falls. He joined the Liberty State Bank in Dallas, now the National City, September 1, 1939 as assistant cashier. He was elected cashier in January, 1940, and vice-president and cashier in January, 1946.

The announcement of his promotion was made by DeWitt Ray, presidnt of the National City Bank.

LEXINGTON MAN KILLED AND WIFE IS INJURED

B. Hester, of Lexington in Lee County, was killed instantly when the car he was driving crashed into a cattle truck at a rail intersection at Lexington around 8:30 p. m. Sunday, it was reported here early Monday by Sheriff Carl C. Black. Sheriff Black went to the scene of the wreck which is only a short distance over the Milam county line, and east of Rockdale.

Mr. Black said that Mr. and Mrs. Hester and Frank Parker, also occupants of the car, were returning from church when the accident occured.

Mrs. Hester and Mr. Parker were rushed to St. Edwards hospital in Cameron. She is suffering internal injuries and Parker has a broken arm and bruises.

The cattle truck driver, Smoot Smith, was not injured. All are local residents of Lexington.

ROBBERS ARE DRIVEN OFF

TRY TO SHOOT NIGHT OFFICER EARLY TO-DAY

Early morning robbers were flushed by a night watchman at the Lester Grain Company here Wednesday and a gun battle ensued.

Otis Nicholson who patrols the block and stands guard at the plant of the Cameron Ice & Cold Storage Company nearby, discovered the attempted robbery of the Lester Grain Company and when he sought to enter the building the robbers opened fire, one bullet tearing away a portion of the doorway.

Mr. Nicholson returned the fire and battle ensued. Four bullet holes were found in the east wall of the feed store where Mr. Nicholson fired at the robbers.

A bullet believed to be a 38 calibre, was recovered by Sam Terry, book keeper at the store. The gun battle occured around 3 a. m. Wednesday.

Charlie Schelander and Mr. Terry were on duty at the usual hour on Wednesday and found the store had been entered. They said that so far as known nothing had been taken from the store.

The robbers were after money. The cash drawer had been pried open but Mr. Terry said he had left no money in the store.

Mr. Schelander said that he understood that City Marshal McGolrick had obtained the license number on a car believed to have been the one used by the robbers. The car was observed here late Tuesday. It is a Harris county license number.

The robbers car was parked in the driveway of the feed house and facing north. The robbers broke a lock on one of the doors at the entrance and after entering opened all the doors including the large drive in door at the back.

Mr. Nicholson discovered them and after shots were exchanged the car sped away and turned east on Highway 77.

Mr. Schelander said that Mr. Nicholson believed that two women were seated in the get away car and that two men had entered the building. .

Mr. Terry pried the bullet out of the door frame and precautions were taken to preserve fingerprints if they existed.

Buckner Orphan Home Thanksgiving Offering On November 21 and 22

The Buckners Orphan Home Thanksgiving offering is to begin November 21 and continue through November 22.

This is a special drive for food, clothing, money and produce to be contributed by Cameron Baptists. A similar drive will be launched among Milam county Baptists for the benefit of Buckners Orphan Home.

CHEST IS THREE QURTERS UP

FIRST OF EUROPEAN DEAD ARE DUE

BANK DEPOSITS HIGH

RESOURCES SHOWING UPWARD TREND HERE

Cameron bank resources as of October 6 were $8,007,411.62 as compared to $7,148,490.30 on June 30 this year, an increase of some $856,000.

Correspondingly has ready cash increased at the banks. As shown by the October statement the banks here have around 5 million dollars in ready cash, this resource being listed as cash quickly available.

Deposits were up over a half million dollars from the June 30 statement. On deposit in Cameron banks October 6 were $7,540,748.57. Loans have increased since June with the total as of October 6 at $1,441,924.43.

Increase in the volume of loans may not indicate a lessening of individual resources but an opening up of a market for money here, represented by substantially pledged security for business and other engagements.

Perhaps the most encouraging aspect of the local money supply is the increase in demand or individual deposits. Individual deposits on October 6 were $5,144,247.68 a figure substantially over the total deposits in June.

BODY OF L. C. ANGELL IS BEING RETURNED HOME

The body of Pfc L. C. Angell, killed in action in Germany with the famous American Third Army under General George S. Patton, has reached New York on the ship Conoley with the bodies of 6252 others being returned from the European battlegrounds.

The body will be sent to Rockdale for burial, it was announced here Wednesday by W. O. Angell, father, employed at the Green & Boedeker derstood that City Marshall McGoldstore in Cameron.

Pfc. Angell was serving with an infantry regiment and entered the fighting shortly after the invasion in June 1944. News of his death according to the files of the Daily Herald of December 7, 1944, was received here in a telegram at that time from General Ulio of the Army headquarters in Washington.

His body was buried in the military cemetery in Henri Chappelle in Belbuim. The body will arrive in Fort Worth in a few days and will be taken by Phillips & Lucky Funeral Home in Rockdale to that city for the funeral.

Pfc. Angell left Cameron for the induction station in the spring of 1944 and had been overseas several months before entering combat in France. He graduated from Yoe High School and was a member of the Yoemen team under Coach Carroll Wood.

From his graduating class Lt. W. T. Caldwell, Lt. Billie Batte Bryan and Lt. Sam Tyson, all in the army air corps, were killed in action.

Surviving are his widow, Mrs. Joy Angell and their two children Lanna and Lamar Angell; his parents, Mr. and Mrs. W. O. Angell and one brother Eldridge Angell. Five sisters survive, Mrs. Bertha Harris, Mrs. Bonnie White, Mrs. Verda Ru Kahler, Mrs. Mary Pierson and Miss Wilma Angell.

Mrs. Leary Lemoine of Baton Rouge, Louisiana has returned to her home afer spending a few days with her father, R. H. McFarland and wife. While here she made a business trip to Fort Worth and also to Texas City.

BODY O. V. SHEFFIELD ARRIVES IN NEW YORK

The body of Pfc. O. V. Sheffield who was killed in action at Barrentein, Germany on March 3, 1945, has arrived in New York and will be shipped to Fort Worth where it will be received by the Green Funeral Home and returned to Cameron for burial in Little River Cemetery at Jones Prairie.

Pfc. Sheffield was killed while fighting with the famous American Third Army under General George Patton, a member of the 393rd Infantry Regiment, Company L. He was buried at Henri Chappelle in Belgium.

The body was placed aboard the ship Conoley on October 4. Aboard the ship are the bodies of 6352 war dead. The body of Pfc. Sheffield is the first among the European war dead destined for reburial here.

The telegram notifying his family of his death was received here on Saturday, March 17, according to the files of The Herald. He is the son of Mr. and Mrs. H. O. Sheffield of Belmena. The message from General J. A. Ulio of the Army was sent to the widow of Pfc. Sheffield then residing in Temple and relayed to the parents here.

When Pfc. Sheffield went overseas he was based in England and entered the fighting in France shortly after the initial invasion. Shortly after the Third Army crossed the Moselle River, Pfc. Sheffield wrote his parents that he was in Belgium for a rest, later joining his unit at the front which was then near the German border.

The body arrived in New York on October 26 but had not arrived Wednesday in Fort Worth.

Pfc. Sheffield was 38 years at the time he was killed in action. He was born and reared at Belmena. He graduated from Yoe High School in Cameron in 1926. Before entering the service he was a mail carrier on Rural Route 4 out of Cameron and during time off worked as a barber with the late Homer Terry.

In addition to his widow and parents, one sister Eulalie Hruska and one brother, Cozine Sheffield, survive and live in Corpus Christi.

RECORD TIME IS MADE IN SUBSCRIBING QUOTA

Cameron's Community Chest quota of $4000 was three quarters up late Tuesday, it was reported by Stanley Swift, chairman of the Board and director of the campaign.

It was certain that a record would be established in the completion of the drive. By the week end committees now working would perhaps conclude the campaign.

Largely responsible for the quick raising of the money was the special gifts solicitation preceding the opening of the general canvas on Monday.

With the quota three quarters subscribed the committee now has in hand cash and pledges amounting to $3000.

Mr. Swift said that a complete report will be made and the names of the workers will be listed at the conclusion of the canvas.

HUBERT WOMBLE IS BURIED AT CALDWELL

Hubert H. Womble, 62, prominent banker and civic leader of Caldwell, died at his residence in Caldwell, Saturday morning after a brief illness. Funeral services were held at Caldwell Sunday at 3 p. m. Mr. Womble is survived by his widow, five children and one grandson, all of Caldwell.

He had been president of the First State Bank of Caldwell for many years and was well known in banking circles throughout the State. He was the son of the late Judson C. Womble and Mary Elizabeth Womble, a Burleson County pioneer family.

His brother, Henry G. Womble, Statewide civic worker and prominent oil mill executive, preceded him in death October 4 of this year.

Womble attended Baylor University and was a star baseball player for the college.

Mr. and Mrs. Anton Michalka and family of Cameron visited in the home of Mr. and Mrs. A. F. Lehnert of Houston the past week end.

NEWSPRINT SHORTAGE POSES BIG PROBLEM

RESTRICTIONS ON USE MUST BE IMPOSED

The Herald has been advised that further shipments of newsprint for the remainder of the year must be materially reduced. A current shipment of news was cut 50 per cent and it appeared Thursday that orders on file would receive the same treatment.

Hope is expressed that in 1948 the situation may be relieved some due to the increase in paper making.

The growth of the cities has placed country weeklies in a hard position and the trend to starve out small enterprises was having a notable effect.

Black markets have spread to every phase of American business. Flat sheet news print such as used by the average small town paper was selling Thursday at $280 per ton in the black market.

Legitimate dealers were having a hard time getting supplies from the mills while black market operators were advertising newsprint.

A similar situation has developed in the automobile market.

The Herald may be forced to cut down the number of copies for the Daily Herald and to stop taking new readers for the weekly. In this way sufficient stocks may be had for the remainder of the year.

All surplus and unimportant reading matter must be rejected. Likewise some advertising must be rejected because of the lack of newsprint.

With the black market now controlling the output of most every line of merchandise in the country, publishers have but one alternative, that to raise prices both for printing and for advertising space and go up as the market advances. No other way seems possible.

Mr. and Mrs. L. J. Schiller and family of Buckholts visited in the home of Mr. and Mrs. Paul Lange of Rosebud over the week end.

NEGRO PAROLEE TO FACE CHARGES HERE

HELD FOR ENTERING HOME AND ROBBING 2 STORES

Jewel Lloyd, 20 year old negro reprieve from the state penitentiary, was in jail here Friday morning facing two charges, for burglary and for entry into a white home in Cameron.

The negro was slightly wounded from two shots fired at him as he attempted to escape after being taken into custody.

The negro entered the home of Mr. and Mrs. M. M. Johnson at 621 West Main Street. Mrs. Johnson was awakened when she discovered the negro in her room and called Mr. Johnson who was sleeping in an adjoining room. Before Mr. Johnson could reach Mrs. Johnson's room the negro ran through the house and escaped through the front door.

Sheriff Carl Black was called and reached the home in a few minutes Mr. Johnson told the sheriff the man was either a light colored negro or a white man. He saw the negro as he escaped through the door.

Sam McDermott, son-in-law of Mr. and Mrs. Johnson, and son, Make McDermott and Rube M. Johnson arrived quickly and joined in the search. The party split up and a short time later Mr. McDermott met two negroes walking down the tracks of the T & N O railroad. Mr. McDermott placed the negroes in his car and brought them back for questioning. Lloyd who made a statement to County Attorney Morrison, attempted to escape. He was slightly wounded by Make McDermott who fired with a shot gun and also slighted wounded by Sheriff Black who fired his pistol.

The negro was placed in jail. At the time of his capture jewelry was found on him. Earlier in the evening the Sharpe Jewelry Store had been robbed when a show window was broken. The negro had also entered the garage building of Henry Green

OXSHEER SMITH TELLS ABOUT FLOOD CONTROL

Oxsheer Smith, member of the board of directors for the Brazos River Conservation and Reclamation District, has been named to a special committee to confer with citizens who want to build a lake from 750 to 1000 acres on the Navasota River 25 miles from Bryan.

Mr. Smith thinks this effort may indicate wider possibilities if and when the people become interested generally along the watersheds of the Brazos. However, no public funds may be allocated for such projects, with the possible exception that such lakes might work into an impounding program with government sanction.

Mr. Smith was at the Waco meeting. Monday and gave the Herald the report as follows:

Six new dams and reservoirs are "being considered" by the U. S. Corps of Army Engineers for the control of floors in the lower watershed of the Brazos River, Col. Henry Hutchings, Jr., Division Engineer, told the Directors of the Brazos River Conservation and Reclamation District Monday.

Col. Hutchings declared that a Congress-authorized study of the entire Brazos Valley was nearing completion and probably would be submitted to the Chief of Engineers in early 1948.

The six new reservoirs under consideration are in addition to the $31,000,000 Whitney Dam west of Hillsboro, now under construction, and the Belton Dam on the Leon River, already authorized by Congress.

The "probable projects" and the "probable" locations, he said, are these:

On the Bosque River, immediately below the present Lake Waco Dam, which would create a new reservoir entirely covering Lake Waco.

At Proctor on the Leon River, about nine miles Northeast of Comanche.

On the Lampasas River, about seven miles southwest of Belton.

At Laneport on the San Gabriel River, about 11 miles northeast of Taylor, replacing two proposed dams on the North and South San Gabriel above Georgetown contemplated in the original program of the Brazos District Board.

On Yegua Creek, about 13 miles northwest of Brenham.

On Navasota River, about 15 miles southeast of Bryan.

Col. Hutchins said that a reservoir system including these six and the Whitney and Melton projects would control 27,600 square miles, or about 77 per cent of the 35,720 square miles of contributing drainage area of the Brazos basin.

He said that a dam at the Waco site would control practically the entire watershed of the Bosque, and with Whitney, would control 96.5 per cent of the possible floods which might threaten the City of Waco.

The reservoirs in the Little River System (Leon and Lampasas Rivers) would control, he added, approximately 74 per cent of the total watershed of the Little River. These, with the dams above Waco, he estimated would control 95.7 per cent of the contributing area of the Brazos River system above Valley Junction (near Hearne).

The Colonel gave definite assurance that the Belton Dam on the Leon would be built, although funds are yet to be appropriated, and that a one-mile levee floodway would be built on the Leon at Eastland, and that 19 miles of the channel of Mill Creek (152 miles from the mouth of the Brazos) would be straightened in a program of work already authorized by Congress.

And he stressed the growing importance of controlling excess waters in the basin for the equally serious and possibly more vital problem of irrigation and provisions of domestic and industrial water supply.

The Brazos Board reelected all its officers for a two-year term. They were George G. Chance of Bryan, President; Milton E. Daniel of Breckenridge, Vice President; W. P. Hallmark of Dublin, Secretary; and appointed R. D. Collins of Mineral Wells Treasurer-General Manager.

A special committee composed of J. H. Fox of Hearne, Oxsheer Smith of Cameron, Mr. Chance and Mr. Collins to confer with a group of Brazos and Robertson County citizens seeking to build a 700 to 1,000 acre lake on a tributary of the Navasota River, 25 miles from Bryan.

Frank Bayer of Waco visited his parents, Mr. and Mrs. Anton Bayer in Cameron this week. Mrs. Bayer has been seriously ill at her home here, but is improving nicely.

Mr. and Mrs. Frank J. Klecka of Cameron are the proud parents of a nine pound son born at Newton Memorial Hospital, October 26, 1947, who has been named Robert John. The mother is the former Martha Blaha of LaGrange, Texas.

AMERICAN BEAUTY BISCUITS
A Virginia Roberts Tested Recipe
(Quantity: 12 Biscuits)

2 cups AMERICAN BEAUTY Flour
3 teaspoons baking powder
1 teaspoon salt
1/4 cup shortening
3/4 to 1 cup sweet milk

1. Sift, then measure the flour.
2. Measure baking powder and salt. Add to the flour and sift together into a mixing bowl.
3. Measure shortening and add to the dry ingredients. Cut in shortening until mixture resembles a coarse meal.
4. Add milk gradually; blend lightly.
5. Turn dough out onto a floured breadboard; knead lightly 30 seconds to form a round ball.
6. Flatten dough to 1/2 inch thickness using floured hands or rolling pin.

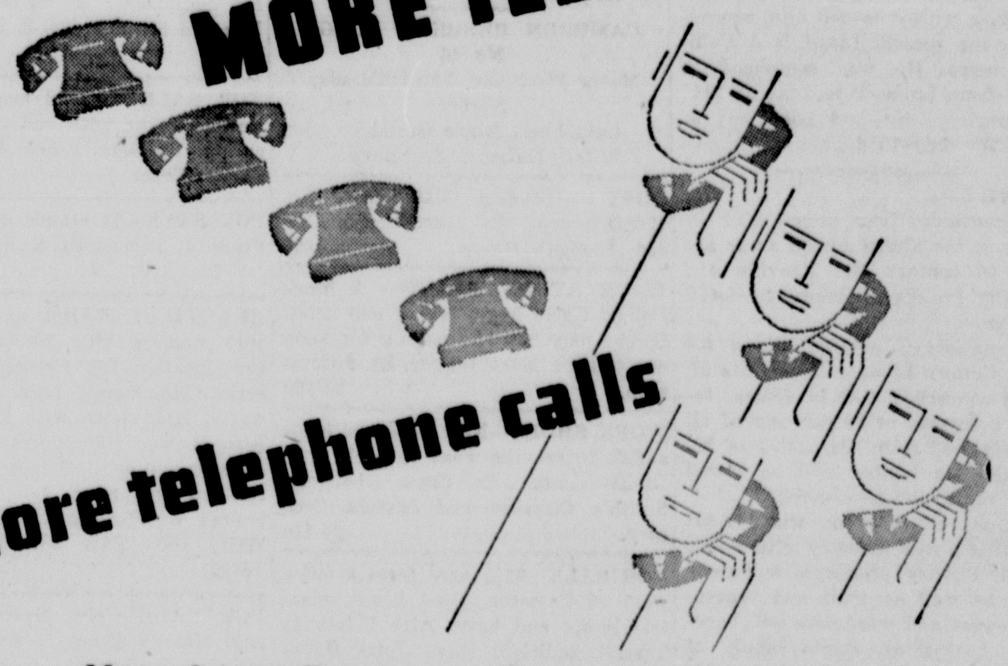
MORE TELEPHONES more telephone calls



More and more calls from more and more telephones have taxed the capacity of switchboards and operators alike during these days of equipment shortages. Even so, most calls at most times go through promptly.

If, at times, you do not hear "Number, please?" immediately, it's because hundreds of other people are calling at the same time and operators are doing their best to answer each call in turn. This is especially true during the busiest hours of the day—midmorning and early evening.

We're putting in more equipment as fast as we can get it. Our aim is to eliminate delays and answer *every* call promptly.

The negro also had two sets of car keys, one set belonging to Alvin Matula, Cameron grocery merchant.

Lloyd also had some mild opiates and was believed to have been under slight influence of them. He was paroled from the penitentiary on September 27 this year because his mother, a widow needed him, according to the record. Lloyd is a Cameron negro. He was sentenced to prison from Lubbock in June of 1947 for burglary. He had been out of prison for only 10 days.

timber in the above named areas are asked to contact Mr. Fonville and have the project explained in detail to them.

The project is a good thing for Milam County because it benefits all parties concerned. The landowner receives a royalty of 10 per cent of all lumber sawed from the timber of his land and his lumber will be sawed to any dimension so ordered.

The city of Cameron will benefit by having a new industry with a new payroll. Poultry producers and marketers as well as fruit and vegetable growers and marketers will benefit by having an ample supply of good, cheap crates and boxes for shipping their produce; erosion control will be aided by cutting out most of the brush and timber that obstructs the flow of flood waters between the banks of the streams where work is being done.

Horse Wears $400 In Silver

Four hundred silver dollars glisten in the saddle and harness of "Lipstick," $25,000 prize-winner with the Dailey Bros. Five-Ring Circus. Freddie Fredericks, America's foremost horseman, is seen above, astride the beautiful horse. The silver dollars are much in evidence. The circus, one of America's largest traveling by rail presents performances at 3 and 8 p. m. at Allen Field on East Third Street in Cameron, Thursday, November 13.

HORSES RETAINING CIRCUS ROLE IN MECHANIZED AGE

Tractors, heavy trucks and other motorized equipment may have replaced the horse in many activities with the circus but beautiful, excellently trained horses always will be as much a part of the show as the show itself.

With this in mind, Dailey Bros. Circus exhibitming at Allen Field on East Third Street in Cameron, Thursday, November 13, has this year arranged a horse fair which includes not one but many winners of blue ribbons in horse fairs both in the United States and other nations.

Under the capable direction of Miss Hazel King, acknowledged premier horsewoman of the circus world, the large group of Palomino horses appear in an outstanding routine which is a memorable part of the two-hour performance. Such widely known stallions as Black Diamond and Major are included in the spectacular performances under direction of Miss King.

The five-ring circus, one of the largest railroad shows touring the United States this season, will arrive early in the morning of show day and spectators are invited to witness the unloading and erection of the acres of tents during the morning.

Performances will be given at 3 and 8 p. m., doors opening an hour earlier to allow ample time for inspection of the large free menagerie of elephants, lions, tigers, zebras and other animals from the far corners of the earth.

The circus program features the Dailey Bros. heard of 10 elephants, directed by 14-year-old Norman Davenport; a wild animal act in which lions, tigers, bears and leopards appear in the same arena; sensational aerial acts; and many other features seen only with a large circus.

BILLIE REDDEHASE IS CHAMPION GILT OWNER

Billie Ray Reddehase, 11 year old 4-H club member in the Ben Arnold community, exhibited the grand champion gilt at the Milam County 4-H show on October 24, according to J. W. Stufflebeme, Jr., County Agent. The gilt, a registreed duroc will be shown at a district hog show in Waco on November 1st.

The show, well attended by farmers and business men of Cameron, was the best county hog show ever held in Milam county. The eight gilts, all approximately 7 months old, were well developed, and should make excellent brood sows.

The judges H. D. Maxwell, Vocational Agriculture teacher of Rockdale, and Bill Arthur, local Agriculture teacher of a veterans class, praised the boys for their work, and made the following placements:

Billie Ray Reddehase, Ben Arnold—1st; L. D. Provasek, Cameron—2nd; Charles Ray Kohring, Valverde—3rd; Ardell Pagel, Yarrellton—4th; Calvin Gilbert, Ben Arnold—5th; and Bobby Russell, Yarrellton 6th.

Harvey Lee Stall, Ben Arnold and Carrol Wayne Jungmann, Yarrellton were other club boys exhibiting at the show.

A registered Duroc boar was shown by Willie Ray Boecker, Yarrellton, and will be shown at Waco with the Reddehause gilt.

Printing is a home industry.

BRYAN MAN BUYS RIVER FARM NEAR CAMERON

The largest of an unusual number of real estate transactions is the purchase last week of the Riverside Farm, formerly owned by R. L. Batte.

B. F. Clark of Madisonville sold the farm to V. H. Tumlinson of Bryan. Mr. Clark purchased the land last year from R. L. Batte.

In the transaction are involved two tracts one for 2982 acres and the other for 1072 acres. The consideration was $105,840.

The Riverside Farm is one of the largest of the major holdings of R. L. Batte who had operated the properties for a number of years. The tract lies east of the Salem Road in Little River bottom and is subject to overflow in portions.

In the old days this tract of land as well as other tracts along the river were worked with convict labor. With the assurance of dams on the watershed of Little River lands in the bottoms will be valuable.

Girl Scout Week In Cameron Finds Them Busy With Program

Girl Scout Week throughout the nation began on Sunday, October 26 and will continue through November 2.

Cameron Girl scouts are observing the week and very busy with a good program. This week is the first major event in Girl Scout Year and is the annual celebration of the birth of Juliette Low, founder of Girl Scouting. Her birthdate is October 31.

Seven days of the Girl Scout Week are each devoted to highlighting some phase of the program. Monday is Homemaking Day; Tuesday Citizenship Day; Wednesday Health and Safety Day; Thursday International Friendship Day; Friday Arts and Crafts Day; and Saturday Out of Doors Day. Sunday is church going day and the Girl Scouts will attend church in uniform at First Baptist Church.

Pascal Cole is among the patients in the Newton Memorial Hospital.

LITTLE CHANGE NOTED IS WEATHER FORECAST

If you think a Texas norther has broken through to cool things off, you had better revise your estimate.

While it is going to be cooler Tuesday morning the spell to be of short duration and worst of all no rain is in prospect for this area.

Temperatures in the fifties will prevail in North Texas Tuesday and Wednesday and somewhat cooler weather is predicted for the Cameron area, but there will be no considerable change here. By Wednesday it will be hot again. Temperatures well over 90 were prevailing here Sunday.

Violent rain storms occured in the Temple area but covered only a small section. The rain was very heavy west of Rogers and in the Heidenheimer community.

Hail in East Texas centered about Jacksonville and may have taken a damage toll well into the million. Utilities services were disrupted. In Jacksonville alone the damage was estimated at two million dollars.

Hail fell in the Rogers area but was light. Temple had a good shower and some wind.

Cameron had uncomfortable temperatures Sunday and Sunday night but relief came with a slight norther around 9 p. m. The city had a sprinkle of rain Monday morning but nothing like a moisture benefit.

Mr. and Mrs. Hugh Ridout and small son Hugh Glynn left late Friday evening for Floresville where they plan to visit Mr. Ridout's father, H. J. Ridout. On their way they attended the football game between Cameron and Killene.

Baptist Committees Are Named for Year

The First Baptist Church has elected committies to complete it's staff of officers and workers for the new year 1947-48. The committies will function and help the pastor, Rev. L. L. Morriss maintain a well rounded program in the Church.

The committees named were: Projerty committee, R. Burke and Grady Cooper, Baptistry, Mrs. Joe Denson and Jack Hardy, Publicity, Clyde Cummings and Aleene Griswold, Disciplinary, J. Max Howard, Grady Cooper and F. J. Backerman, Complaint, Dr. Gus Evans and W. E. Kuehl and Visual Aid, Leo Jackson, Misses Winnie Henderson, and Ada Margaret Smith.

Mrs. Elizabeth Heintz of Belmena is seriously ill in St. Edwards Hospital but is improving. Her sister Mrs. Mary Ann Barrett and little daughter of Marlin were called to her bedside.

Griffin Burnett of Beaumont visited his parents and other friends in Cameron over the week end.

Central Freight Lines Complete 27 Years of Service In Texas

Central Freight Lines, pioneering freight shipment by truck, has rounded out 27 years of service in Texas, according to a letter just received here from Tom Wardlaw by customers of the freight lines.

Mr. Wardlaw is the Cameron agent for Central Freight lines. Says Tom: "On a hot July afternoon in 1925, a Model T Ford truck with solid rubber tires bumped its way down a dusty Texas highway. Freight shipment via truck was a new service. Central Freight Lines was a new company.

"Since that day," continues Mr. Wardlaw, "Central Freight Lines has grown to an organization of over 500 efficient, capable people, serving thousands of shippers daily. In place of that lone Ford Truck, Central now operates over 300 pieces of the most modern freight equipment."

The Central Freight Lines now brings motor freight service to 450 Texas cities, towns and communities, covering over 3000 miles of freight routes daily.

Mr. and Mrs. George Kemp of Burkburnet, visited with relatives in Cameron Saturday. Mr. Kemp is the son of the late, Mr. and Mrs. Marshall Kemp, who lived in Cameron for many years.

"Dishonored Lady" Is Smash Hit Opening At The Cameron Thursday

When "Dishonored Lady," the latest Hunt Stromberg production, opens Thursday at the Cameron Theatre, film audiences will see a compelling human drama interlaced with the psychological stumbing blocks that the accelerated civilization of today so frequently prompts.

Hedy Lamar handles the leading feminine role, that of a brilliantly successful magazine editor who though she has everything material she can want and more personal attention than she can absorb, is emotionally and spiritually starved.

In an effort to escape her superficial existence and find her true self, she meets an earnest young scientist played by Dennis O'Keefe, with whom she feels she can build a fulfilling life. But on the verge of the first happiness she has known, tentacles from the past reach out to embroil her in suspicion of murder.

John Loder, English-born actor and Miss Lamarr's husband in private life, plays the part of an egocentric diamond importer who thinks he loves her and whose murder at the hands of his assistant, William Lundigan, is laid at Miss Lamarr's door.

This is the first time Loder has played opposite his wife though both have been making motion pictures in America for approximately the same length of time, and it is also his first venture in the role of a "heavy" William Lundigan is making his first screen appearance since his discharge from the Marine Corps in "Dishonored Lady."

Cast as Miss Lamarr's assitant on the magazine who takes over the job when she quits, is vivacious Natalie Schafer. Paul Cavanagh is the magazine's editor and another of Miss Lamarr's many though short-lived suitors.

In the role of the psychiatrist to whom Miss Lamarr takes her problem is Morris Carnovsky, a veteran of the New York stage and a rapidly rising factor in the motion picture field.

Interestingly, Carnovsky once considered becoming a psychiatrist but was dicouraged by a friend in the profession because he had neither the porsonality nor the appearance for such a pursuit. However, when Stromberg started casting for the part in "Dishonored Lady," he picked Carnovsky immediately as the only actor in Hollywood who looked and talked the part.

Cameron Mother and 9 Months Old Baby Will Journey to Japan

Dee Anne, 9 months old, has never seen her father, Master Sargeant Dee Hitt, and what a thrill he's going to get, for Mrs. Hitt and their daughter will set sail Monday, October 27 for Itami Air Base in Japan where the Sergeant is stationed.

Dee Anne, brown eyed and beautiful, was born after Sergeant Hitt went overseas and now he is soon to have his wife and baby with him in far away Japan. They will sail from Seattle, Washington.

Sergeant Hitt has been overseas since July 1946 and has been in the service for 8 years, being one of the first young men in this community to volunteer for service. In the Army Air Corps he is at Itami. Mrs. Hitt is the former Barbara Brock, daughter of Mr. and Mrs. Tom Brock of Cameron.

Mr. and Mrs. Lafor Lively of Galveston are the happy parents of a nine pound son born at Newton Memorial Hospital, at 2:02 p. m. October 19, 1947, who has been named Charles The mother is the former Darlene Schmidt.

Newsprint Situation Worsens and Outlook Gloomy For Publishers

WASHINGTON, Oct. 27—The bottom of the newsprint barrel has been "pretty cleanly scraped" and the shortage probably will continue through 1948, the Department of Commerce reported today.

"The newsprint supply situation continues to plague both industry and consumers and little immediate relief is in sight," a report on the pulp and paper industry said.

The report said that almost 100,000 tons of newsprint which the British were unable to take from Canada and Newfoundland mills and another 30,000 to 35,000 tons which the Australian and New Zealand newspapers passed up can be expected to go to the United States during the rest of this year and in 1948. But the department held out little hope that this would relieve the situation.

"If all of this tonnage were made available to the small publishers and printers, it would greatly relieve the situation so far as they are concerned, but there is no indication that such a pattern of distribution will be followed," the report said. "It appears, so far as newsprint is concerned, that the bottom of the "barrel has been pretty cleanly scraped."

At the same time, the report pointed out that the amount of paper involved in the British and other cancellations of Canadian paper represented less than one-half of U. S. average monthly imports from Canada and New Foundland during the current year.

Joe Petty of Sharpe transacted business in Cameron Saturday.

CHRISTMAS

just 7 weeks away

What, so soon? Yes, Christmas is but a matter of weeks away. TIME has a habit of "marching on" but the important thing to remember is that Christmas is close at hand and there are many responsibilities involved.

Shopping is the least of these but here is where the merchant comes in and also where advertising can be best applied. Let's get ready now, prepare for early shopping and let's give the local retail market the best send off in years.

Have you got the goods? Then, let's tell the folks about the Cameron market during the holidays. Let's have a good, old fashioned Christmas with good cheer and gifts again.

The War years are behind us. There's money to spend a plenty, and advertising will set up the scoring play.

RELIEF ABROAD WITH CURBS HERE PROPOSED

WASHINGTON, Oct. 24— President Truman called tonight for timely and forthright action" to relieve "hunger and cold abroad" with relief funds. He asked, too, for immediate curbing of inflation at home.

In a speech broadcast to the entire nation, one day after he called a special session of congress to meet Nov. 17, the President said "high prices at home and hunger and cold abroad" present "a challenge to the American people."

Mr. Truman, leading the campaign for immediate stop-gap aid in the European crisis, declared that this course must be coordinated with an attack on rising prices in this country.

"Inflation must be stopped before it is too late," he said.

"High prices at home and emergency aid abroad," the President said, are obstacles which "must be overcome by prompt and courageous action." He added.

"Legislation by the congress is essential. The need is too pressing—the results of delay too grave—for congressional action to wait until the next (regular) session in January."

Before Mr. Truman took on the radio, two high-ranking Republican lawmakers raised the cry that he was "playing politics" by linking rising costs with foreign aid in his special session call.

Mr. and Mrs. James Coleman and daughter, Betsy Ann, visited her sister, Dr. and Mrs. Terrell Faulkner in Hillsboro Sunday.

Officers For Baptist Church Installed At Cememony October 19

A special installation service was held Sunday evening, October 19, at 7:00 p. m. at First Baptist Church for the purpose of installing new general officers and officers of various training unions of the church for the year 1947-48.

The service was opened with a prayer and hymn.

Mrs. Wells Smith presided at the installation service by means of a chalk talk and paintings which was prepared prior to her devotional. A rainbow was constructed by E. J. Burkes as Mrs. Smith gave a color of the rainbow for each officer, suggesting his particular place of service.

Colors of rainbow and presentation speeches were used to present the various officers with their duties and charges were delivered to the Department directors, leaders, sponsors, councilors, presidents, vice-presidents, etc.

General officers and sponsors who were installed are: Leo Jackson, BTU director, Rev. L. L. Morriss pastor and counselor, Jack Hardy assistant director, Wells Smith secretary, Mrs. C. W. Bradbury pianist, Aleene Griswold chroister.

Sponsors who were installed were: Milton Schiller, Adult department, J. R. Young, young peoples department, Ada Margaret Smith and W. L. Smith intermediate department, Mrs. C. W. Bradbury, Mrs. J. H. Angell and Mrs. Wright Price, Sr., junior department, Mrs. J. R. Young and Mrs. E. J. Burke, Primary department and Mrs. Milton Schiller and Mrs. Abner Ingram, Jr. beginners and story hour sponsors.

The BTU meets each Sunday evening at 6:30, taking in all phases of Church work. It's purpose is to train for church leadership, and is open to all ages with seven training unions functioning.

Officers and teachers meeting will be held at 7:15 Wednesday, Oct. 22, followed by the Visual Education Clinic, at which time everyone is invited.

Mrs. Dan Tyson Is Hostess to 42 Club

Mrs. Dan Tyson entertained the 42 Club at her home Thursday, October 16. The living room and dining room were decorated with Red roses and yellow Cosmos. Three card tables were placed in the living room.

Mrs. W. A. Bonds and James Coleman shopped for the Coleman Gift Shop in Dallas Tuesday. They were accompanied by Mrs. John B. Henderson.

YOEMEN WIN 7 TO 0 OVER KILLEEN FRIDAY

The Yoemen were just plain lucky Friday night in Killeen and came away winner 7 to 0 in one of the best line battles in the history of the Conference as the Kangaroos proved the Cameron team was just another ball club.

A fumble on the Cameron 3 yard line robbed the Kangaroos of a touchdown and a possible tie of the score. The game was scoreless for three quarters.

Late in the third quarter Cameron set up her lone scoring opportunity when Michalka passed to T. J. O'Neill for 17 yards to put the ball on the Killeen 16. O'Neill then got 5 as the quarter ended. On 4 plays the Yoemen made a first down on the Killeen 1 yard line and then two plays later O'Neill skirted the Kilbeen left end for just enough to make it a score. Riola kicked the extra point and that was the ball game.

Killeen came right back and with a fine deception shovel pass from Hargrove to Pete Hilliard got the ball from the Kangaroo 45 to the Cameron 3. On the touchdown try the ball squirted away from Bob Lanning and Jimmy Hauk recovered for Cameron. Michalka kicked out but there was a penalty on the play and the ball was brought back. The Yoemen froze the ball for four downs and the game ended.

Mr. and Mrs. Leland Dodson accompanied by Mr. and Mrs. J. M. Dodson Sr., of Waco were week end guests of Mr. and Mrs. Shorty Henderson and family in the Walkers Creek community recently. All enjoyed visiting Mr. and Mrs. Adrain McCown in Gause on Sunday. Mrs. McCown who is Mrs. Dodson's sister, is recuperating from a serious operation and illness.

Your safety sign . . . that eyes have the full protection of proper light . . . is the watt number imprinted on every lamp bulb! Eyestrain can develop even from ordinary household tasks, if lighting is not adequate. Fill every light fixture and lamp with correct sight-saving sizes. Good light for easy seeing requires 150-watt lamp bulbs for study and reading lamps and 300-watt bulbs for floor lamps.

TP&L low-cost electricity gives your family the full benefit of plentiful light . . . for only a few cents a day! The added cost of electricity for using a 150-watt bulb instead of a 60-watt bulb is less than a penny for THREE HOURS . . . and the purchase cost of the 150-watt bulb is only 10 cents more. You owe it to your eyes to get proper lighting, now!

C. A. VOEBEL FUNERAL IS HELD IN HOUSTON

Funeral services were held in Houston last week for C. A. Voebel, who died on Friday night at McCloskey Hospital in Temple where he had been for the past year.

Mr. Voebel was a veteran of World War I, and was the husband of Autra Bryan, formerly of Cameron, who was before marriage Miss Autra Huddleston, daughter of the late Rev. Huddleston who was pastor of the Methodist Church at Buckholts.

Mr. Voebel was a member of the Methodist Church.

R. R. Smith, teacher of vocational administration of Sharpe visited in the school superintendent's office on Monday.

CHARLES W. MANNING BUYS BUILDING HERE

Charles W. (Chili) Manning, shoe store owner has purchased the building on North Houston Street formerly occupied by the Cammer Tailor Shop and now partly occupied by the R. H. Johnson Jewelry Store.

Mr. Manning purchased this building from B. F. Sanders. He will soon move from his present location on West Main to his own building.

The building now occupied by his store was purchased by Narvie Caperton who is having soon to move from his present location, a building adjoining and owned by the H. F. Smith estate. The J. C. Penny Company will expand their store facilities early next year.

From where I sit ... *by* Joe Marsh

Sam's a Matrimony Expert

Sam Abernathy never intended to be a matrimony expert, but he hit the nail on the head the other day when he said:

"What marriage really needs is more open minds and a lot fewer open mouths."

Sam may not think much of his missus' choice of hats or her habit of serving watercress and cream cheese salad. But he keeps his mouth shut (I mean, he just uses it to eat the salad). And the missus never criticizes Sam's affection for that worn-out chair before the fire, and his mellow glass of beer and pipe at the end of a long day.

From where I sit, that prescription would apply to most human relationships. Criticism rarely rouses anything but resentment. But an open mind—whether it's applied to a woman's choice of hats, or a husband's preference for a pipe and a moderate glass of beer or two—leads to the conclusion that there's right on both sides.

OFF WEEK FINDS THEM PREPPING FOR BELTON

The Yoemen get a breather this week as they will have an open date Friday, October 31.

On November 7 they go to Belton for a conference game and will end up their conference schedule on November 17 against Rosebud in that city.

A game is scheduled for November 21 with Gatesville and will be played provided both teams do not win their district.

The Yoemen are well on their way to another Conference Title. They will have a hard game with Belton, perhaps their hardest of the year, although Killeen held them to a 7 to 0 win.

The game with Belton each year is one of the oldest of the conference renewals for it seems that as long as there has been district play Cameron has played Belton.

The Yoemen have not fared well with the Tigers through the years but during the past 8 years have managed to break even, winning four out of the number. Here is the record for 8 years past: 1939 Belton 20, Cameron 0; 1940 Belton 19, Cameron 14; 1941 Cameron 14, Belton 0; 1942 Belton 14, Cameron 13; 1943 Cameron 20, Belton 6; 1944 Belton 12, Cameron 7; 1945 Cameron 26, Belton 6; 1946 Cameron 45, Belton 6.

If Belton defeats Cameron and Taylor wins all her remaining games there will be a tie between the Yoemen and the Ducks. While no one expects Cameron to lose a conference game, such things do happen.

If Cameron wins her district the bi-district game will no doubt be played against Lampasas and barring a defeat for Carrol Wood's Mexia team on Friday night by Franklin, if Cameron should get by Lampassas the regional would be against Mexia.

Cameron was able to get a 7 to 0 win over Killeen but Lampasas defeated Killeen by 2 touchdowns. However the Kangaroos were gunning heavily for the Yoemen.

CONGRESS IS CALLED FOR NOVEMBER 17TH

WASHINGTON, Oct. 23 — President Truman today called Congress into special session Nov. 17 to consider a possible billion-dollar program of stop-gap foreign aid and to throw a Federal halter on runaway prices at home.

Gravely and rapidly, Mr. Truman read his proclamation to newsmen massed in his oval office, then announced he would make an all-network broadcast to the people at 10 p. m. EST, tomorrow.

He did not name his figure on Winter aid. But other Administration officials said it has climbed from his $580,000,000 estimate for France, Italy, and Austria, made a few weeks ago, and now looks like this:

About $642,000,000 for France and Italy alone; up to $30,000,000 for occupied Austria; and a possible $400,000,000 for occupied Japan, Korea and Germany—a total of $1,072,000,000 to last until March 31. The officials who supplied the estimates to reporters withheld the use of their names.

The day crackled with developments:

First, the call for the extraordinary session itself, after talk of one had somewhat faded: then the disclosure of the unexpectedly early date for it; and, finally, the inclusion of a call to Congress to "put an end to the continued rise in prices" as well as to deal with Europe's crisis.

Miss Aetna Smith has returned from a visit with her sister, Mrs. Vernon McIntire of Alpine. Mrs. McIntire accompanied Miss Smith back home where she will spend several weeks visiting relatives and friends.

HIGH PRICES LURING THIEVES INTO FIELDS

Three dollar wheat has created a new type of lawlessness in Oklahoma and elsewhere over the grain belt.

"Wheatleggers" have stolen some 30 thousand dollars worth of the grain in 3 Oklahoma counties in the past two days.

Thieves drive into fields with trucks load out the grain and hit out for the markets.

In regions formerly haunted by the bootleggers of corn whiskey now are a new menace known as the "wheatleggers."

Mrs. Bernice Wallace made a business trip to Temple Monday.

Rosetta Franklyn is a surgery patient at Newton Memorial Hospital and is recovering nicely.
